# Swap meet, luxe home edition

Vani Rangachar, Los Angeles Times  
February 23, 2007

If the walls of your Malibu beach-side mansion are closing in, think about trading spaces at <http://www.homeexchangegold.com>, the new deluxe edition of HomeExchange.com. In this snazzier version, you'll find an 18th century villa set on four acres (yes, it has a pool) outside of Florence, Italy, among other properties. What's hot: The swapping potential is dreamy — a London flat in tony Mayfair, a castle in Scotland, even a Hamptons hideaway when you need to escape New York City. What's not: The membership price: \$500 a year, cheaper than a penthouse suite at the Four Seasons. But there's no room service. — Vani Rangachar
